# About Us

**ANAN AL SAMAA GENERAL TRADING L.L.C is a UAE-based trading powerhouse recognized for delivering world-class Gum Arabic to global markets. Since our establishment in 2011, we've built a solid reputation as a reliable supplier and sister company to Sudan's reputed Elanan Trading Exports and Imports Co. Ltd. Our specialization lies in sourcing and exporting Acacia Senegal (Hashab) and Acacia Seyal (Talha) gum, which are 100% organic and wildy harvested. Our patented processing technology ensures that the gum retains all of its natural qualities without chemical processing, making it suitable for use in foods, pharmaceuticals, beverages, cosmetics, and industrial applications. We currently export to over ten countries, including the USA, France, Japan, and India. With certifications such as ISO 9001, FDA, Halal, and Kosher, we ensure the highest level of compliance, purity, and customer satisfaction.**
